ABOUT THE SCHOOL

The celebrated violinist Yehudi Menuhin founded his School in Surrey in 1963 to provide a place for musically-gifted children from around the world to develop their talents to the highest level within a nurturing and stimulating academic environment, regardless of their economic background.

Today's School provides a holistic education for nearly 80 exceptional students aged from 8 to 19, with specialist tuition on the stringed instruments, piano and classical guitar.

Through our Bursary Fund, the School aims to realise Yehudi Menuhin's original vision of operating a truly needs-blind admission process, where pupils are admitted on the basis of talent alone, regardless of their social or economic background.

With your help, we can reach our target of £250,000 towards our Bursary Fund and help these remarkable young musicians receive the education they deserve.

From all our students, staff, governors and parents, thank you for your generosity.

Are you a UK taxpayer? If so, every £1 you give could be worth £1.25 to us at no extra cost to you.

I would like The Yehudi Menuhin School to reclaim the tax on this and any other eligible donations that I may make in the future or have made in the past 4 years. I understand that I need to pay enough Income Tax or Capital Gains Tax in each tax year to cover the Gift Aid claimed on all my donations, otherwise it is my responsibility to pay the difference.
