## WELCOME

I am delighted to invite you to the Menuhin Hall to share in our Autumn Winter season of events. Whether a long-term Friend of the School, or a first time visitor, I can assure you a warm welcome.

This year we are increasing the number of our immensely popular Showcase Concerts and starting a programme of Open Masterclasses. We are also continuing to offer Celebrity Concerts and are launching a 'Young Friends' programme to enable more young people to experience live classical music. Our Christmas Concerts, featuring choir and orchestra, are events not to be missed, so do book early.

Thank you for your support, and I look forward to meeting you or to seeing you again soon.

**Kate Clanchy**  
Head

It is a wonderful feeling to present to you all The Menuhin Hall Autumn Winter 2018 /19 Season. It has been a real pleasure to meet so many of you and to feel your appreciation and support during my first year as Director of Music, and I hope that the coming year builds on the success of the last.

This Autumn we open our School masterclasses to the public with Natalia Gutman, offering a privileged insight into the detailed preparation that goes on before our students present their performances to you in our Showcase Concerts.

We are thrilled to welcome back alumna Alina Ibragimova with an all-Beethoven programme. The Endellion String Quartet features three alumni, and we also hope that you will enjoy the first visit to the Hall of pianists José Ramón Méndez and Artur Pizarro, as well as the Piccadilly Dance Orchestra.

Of course, our season would not be complete without visits from The Cobham Band, The Grange (celebrating their 80th anniversary) and Peter Medhurst. From Mozart to Gilbert and Sullivan, and from solo recitals to brass bands, this season provides a wide range of experiences to inspire, so we hope to see you at many events. Happy concert-going!

We are delighted to welcome for the first time this legendary performer and teacher to The Menuhin Hall. Natalia Gutman is one of the most distinguished cellists of the 20th century. From 1992–2002 together with Abbado, Gutman directed the Berliner Begegnungen chamber series in Berlin, and she was a regular section leader in the resident orchestra in the Lucerne Festival.
